Subject: Operational Planning Meeting  
Project I.D. 7841-00-04  
T Beaver, Riplinger Road  
Nelson Creek Bridge P-10-0937  
Town Road, Clark County

Dear Stakeholder,

Mead & Hunt, Inc. (Mead & Hunt) has been retained by the Town of Beaver to provide engineering services and the design of the bridge replacement and necessary roadway design for the Riplinger Road Bridge (P-10-0937) over Nelson Creek. The Riplinger Road Bridge is located in Clark County, west of Riplinger, in the Town of Beaver, in Section 16, T27N, R01W. It is proposed to replace the existing bridge at its current location with a single-span, reinforced concrete bridge. Minor upgrades to the roadway approaches are expected. A temporary bypass bridge will be installed to maintain access during construction.

You are invited to attend the upcoming Operational Planning Meeting for the Riplinger Road Bridge replacement project. The meeting is scheduled for Friday April 26, 2024, at 2:00 p.m. The meeting will take place by virtual video conference (Microsoft Teams). The call-in information is included in the email message that is part of this invite. If you have any questions or require additional information, please contact me at (608) 784-6040 or [jay.wheaton@meadhunt.com](mailto:jay.wheaton@meadhunt.com).

A project location map and preliminary plans are enclosed.

Sincerely,

MEAD & HUNT, Inc.

A handwritten signature in black ink that reads 'Jay P. Wheaton'.

Jay P. Wheaton, P.E.
